MEMORANDUM

In order to strengthen the production of intelligence relating to the Communist movement outside the USSR, the following understandings have been reached between OIR and O/CI.

1. O/CI's Bi-Weekly publication on International Communism shall be discontinued as of 1 August in favor of the State Department's comparable publication.

2. The State Department will consult with O/CI and other agencies on a continuing basis to insure insofar as practicable that its publication is of maximum utility to current intelligence and benefits by all appropriate intelligence resources.
